PURPOSE

To celebrate and honour the rich culture and craftsmanship of Ethiopian coffee.

Our products represent the culmination of passion, expertise, and respect for Ethiopian coffee traditions.

MISSION

To share the authentic Ethiopian coffee experience.

We strive to achieve this by serving exceptional quality coffee and building a vibrant coffee community.

THE ORIGIN

AGGÜDO

አገደ

Pronunciation: ah-GOO-doh

Aggüdo is a term in our **Tigrigna language** that has been passed down by our ancestors to multiple generations and now currently rests in our hands.

While the word literally translates to 'hut' or 'shelter', the essence of the word embodies **sanctuary, community, gathering, and belonging**. The origins of our coffee and beans trace back to cultures as old as the Earth.

In Ethiopia, coffee is more than just a beverage. It is a cherished ritual that represents togetherness, belonging, and shared experiences. Our intention was to recreate the warmth and community here in Calgary, paving the way for the establishment of AGGÜDO.

Drawing inspiration from memories and experiences back in Ethiopia, we embarked on a journey to deliver the authentic flavours and cultural richness of Ethiopian coffee traditions. Experimenting with different brewing methods, roasting techniques, and Ethiopian coffee bean varieties became our passion.

OUR STORY

IT BEGAN when my family and I migrated to Canada, leaving behind the vibrant coffee culture of Ethiopia. We wanted to introduce the richness and depth of Ethiopian-origin coffee to coffee enthusiasts in Calgary.

The first AGGÜDO location opened in Downtown Calgary in 2019 and then we moved to our new home in the heart of Kensington in 2020.

EVERY BATCH OF COFFEE is carefully roasted as a testament to our unwavering passion and craftsmanship. Our goal is to capture the essence of Ethiopian coffee in each cup, infusing it with the memories of family gatherings, meaningful conversations, and a deep sense of belonging.

With every sip of our coffee, we invite our customers to an immersive experience that transcends borders. Transporting them to the vibrant coffee ceremonies and bustling coffee houses of Ethiopia.

THE UNPARALLELED EXPERIENCE we provide at AGGÜDO rapidly circulated. People were drawn to our coffee shop, enticed by the aroma of freshly brewed Ethiopian coffee that fills the air.

As we continue to grow, our dedication to providing an exceptional coffee experience remains steadfast.

AGGÜDO is not just a business venture, it is a labour of love that allows us to share a piece of Ethiopia with the hearts and palates of coffee enthusiasts in Calgary.

TODAY, AGGÜDO stands as a cherished destination for those seeking the authentic taste and experience of Ethiopian coffee in Calgary. Our story is a testament to the transformative power of coffee, the bonds it creates, and the heritage it carries.

We invite you to be a part of our story, one cup at a time.
